

## Create and configure IBM Cloud services

### Create a Database in Cloudant DB

Date	14 September 2022
Team ID	PNT2022TMID13383
Project Name	Smart Waste Management System for Metropolitan Cities
Maximum Marks	4 Marks

The screenshot shows the IBM Cloud console interface. The top navigation bar includes the IBM Cloud logo, a search bar, and user information. The main content area displays the 'node-red-svfzj-2022--cloudant-1667623164867' resource, which is active. The 'Overview' tab is selected, showing deployment details such as CRN, Location (London), External endpoints, Authentication methods, Activity Tracker event types, and Disk encryption. A 'Launch Dashboard' button is visible in the top right corner.

The screenshot shows the Cloudant dashboard interface. The top navigation bar includes the Cloudant logo, a search bar, and user information. The main content area displays a message 'Database created successfully' in a green box. Below the message, there is a large cloud icon and the text 'No Documents Found'. The left sidebar contains navigation links for 'All Documents', 'Query', 'Permissions', 'Changes', and 'Design Documents'. The bottom status bar shows 'Showing 0 documents' and 'Documents per page: 20'.
